REBATES

Medicare Rebate for Psychologist	\$98.95 (60 minute session)
Medicare Rebate for Clinical Psychologist	\$145.25 (60 minute session)
Private Health Rebate	Varied (contact your health fund directly)

Full session fees are payable at the time of your session, with relevant rebates applied once your account is settled. Medicare rebates will be processed directly into your account for clients with a current Mental Health Care Plan, usually within one to two business days. For Private Health claims, we will provide you with a receipt that you can use to claim your private health rebate online. Due to Medicare requirements, you are unable to use a MHCP and private health fund for the same session. For other funding options, rebate amounts will be applied as indicated by the funding body. **Please note Medicare rebates are not available for assessment reports.**

NDIS

Initial and Follow-up Sessions - 60 minutes	As per NDIS Fee Schedule
---	--------------------------

Please note there is no 'out-of-pocket' cost for clients seen under the NDIS package. For plan-managed clients, we will invoice your plan manager directly.

CANCELLATION POLICY

If you need to cancel or postpone your appointment, please give your psychologist a minimum of 48 hours notice. If late notice is given (between 24-48 hours), there will be a late cancellation fee of 50% of the hourly fee and if late notice is given 24 hours or less, there will be a late cancellation fee set at 100%.
